3x5 Card Feedback

3x5 from SEPT 2015 CLIF

Question/Comment:

In case of emergency, what number do we call (or who do we contact) to get in touch with students while they are in class?

Answer (G3):

- During duty hours, call the G1 at 717-245-3627/4220/3362/3615/3416
- Please state that it is an emergency to the person taking the message and provide a number for the student to return the call.

3x5 from SEPT 2015 CLIF

Question/Comment:

Please confirm dates of Jim Thorpe Sports Days and Joint Ball

Answer (G3):

- Jim Thorpe Sports Days 21 APR – 23 APR 2016 (Thur-Sat)
- Joint Ball 7 May 2016 at the Hershey Lodge

3x5 from SEPT 2015 CLIF

Question/Comment:

The installation of sanitation stations for pets would be great! Currently we have to walk a long way to dumpster. The stations hold pick-up bags and trash.

Answer (DPW):

Our large and small dog parks located between Wright Ave and Liggett Rd have sanitation stations that include trash bags and cans for all pet owners to use. MWR will maintain the stations. Additionally for owners who carry their own bags, we have multiple trash cans and dumpsters throughout the post for pet owners to discard trash.

3x5 from SEPT 2015 CLIF

Question/Comment:

Can sidewalks be added to Heritage Heights from mid-Craig Road to Sumner near the commissary and from mid-Craig Road to the north corner of Young Hall (intersection near Pershing Road)?

Answer (DPW):

Unfortunately, no. The desired sidewalks are within the Residential Communities Initiative (RCI) ground lease footprint for Balfour Beatty Communities. BBC understands the request for these improvements. Additional sidewalks cannot be addressed with the current-year budget limitations. BBC and the Garrison will include this request in future project discussions and planning as we prioritize and program for improvements within our next five year Out-Year Development Plan (ODP).

3x5 from SEPT 2015 CLIF

Question/Comment:

Can ACS please elaborate on AFAP? The process? And why is it important to submit issues? Thank you.

Answer (DFMWR-ACS):

The Army Family Action Plan (AFAP) is a program that seeks input for the most significant issues that affect the quality of life for Soldiers, Army Families, Retirees, and Department of the Army (DA) Civilians. The process starts at the installation level and issues are forwarded to Headquarters Department of the Army for resolution.

AFAP is important because it is the “voice” in the Army’s future. AFAP provides leadership with real-time information on their community’s satisfaction, concerns and challenges. AFAP contributes to readiness and retention by having Soldiers and Families actively involved in planning for the quality of life of the Army.

3x5 from SEPT 2015 CLIF

Question/Comment:

Quiet hours on post? Any way to reinforce the 10:00pm? Thanks?

Answer (DES/DPW/RCI):

Carlisle Barracks observes quiet hours from 2300-0500 (CBKs Reg 190-3, Excessive Noise on Carlisle Barracks).

In relationship to residential neighborhoods, the level of noise heard outside of quarters should not be audible to neighbors or adjacent public areas. Our bugle calls beginning at 0625 and ending at 2300 maintain the rich history and tradition of our post. Disruptive behavior is covered in the Balfour Beatty Communities Carlisle Family Housing Handbook. If personnel do not respond to a request to eliminate the disruption, please contact the police station (245-4115/3465).

3x5 from SEPT 2015 CLIF

Question/Comment (SLDR):

Too many chairs around the table for CLIF meeting, not enough elbow room.

Answer (DPW):

We have taken steps to increase spacing for the CLIF seating. From time-to-time we may have to accommodate seating to fit a change in location but we will continue to keep in mind the need for adequate spacing for meeting attendees.
