MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Military Family Program--Psychological Type and the Family

1. A presentation on "Psychological Type and the Family" using the Myers-Briggs Type Indicator (MBTI) will be conducted in Bliss Hall on Tuesday, 26 August 2003, from 1900 to 2100.
2. The speaker will be Dr. Otto Kroeger who will offer humorous insights into why others behave the way they do and why you are the person you are--on the job, as a parent, in relationships, and in all aspects of daily life. At the end of the presentation you will understand the basic concepts behind type-watching and how it can be put to use on a day-to-day basis.
3. This presentation is especially designed for parents and their children. If you, your spouse, or your children over the age of ten have not taken the MBTI and desire to do so, you may obtain a copy of the instrument by stopping by Room C-316, by completing the enclosed request and returning to the Mail Room, or by calling 245-4789.
4. All members of the Carlisle Barracks community and their families are invited to participate. For additional information, contact Joe York at 245-4787/4789.
