

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

I am honored to join the U.S. Army War College in welcoming everyone attending the 2011 Jim Thorpe Sports Days.

I am extremely proud of our armed forces competing in these events and the outstanding commitment to training and skill development that each contestant has exhibited. I know that these exercises will foster the indomitable spirit of camaraderie and pursuit of excellence that our military displays on a daily basis.

As you gather on the same field that Jim Thorpe made famous a century ago, it is fitting that John Thorpe and George Yuda continue to represent the outstanding legacy of this American icon. I am confident that the athletes who take the field today will find that Indian Field remains an outstanding venue for practice and competition.

As Governor and on behalf of all Pennsylvanians, I thank the U.S. Army War College for hosting the 2011 Jim Thorpe Days. I want to personally wish all participants a safe and successful event this year.
