Office of the Installation Chaplain

Dear Army War College Student and Family:

Congratulations on your selection for Senior Service College and Army War College Class of 2003! This historic year will be an exciting, stimulating and spiritually enriching one for you. It is a memorable time of awesome transition and transformation both professionally and personally.

The U.S. Army War College Memorial Chapel is one of the centers for your spiritual growth. The programs are supported by volunteers, your peers and professionals that provide stimulating opportunities for family enrichment, youth, teen and children's spiritual nurture and development. There are retreats, home Bible studies, choirs, as well as information on denominational services and various faith groups in the Carlisle/Harrisburg area.

You will receive a welcome packet with additional information, but if you should have questions, please call us at the following numbers: (717) 245-3318 or DSN 242-3318.

We heartily welcome you and offer these suggestions for your continued success and growth:

- Make a commitment to regular worship and devotion. Tell us about your gifts, how you can serve God here. The year is a once in a lifetime gift that is yours to savor and share.
- Join our initiatives in total community ministry. We offer many ecumenical events: Youth of the Chapel, seasonal observances, social/fellowship activities.
- Pray for God's work as we pray for you.

May God enrich your life,

Donald L. Rutherford  
Chaplain (Colonel) U.S. Army  
Installation Chaplain
