Professional Experience

US Army War College

June 2012 – Present

Professor of Theater Planning

Department of Military Strategy Planning and Operations

Responsible for core and elective curriculum design, research, documentation, and execution. As member of a seminar teaching team, instructed the Theater Strategy and Campaigning core curriculum course, assisted in other core courses, served as faculty advisor, and Strategic Research Project advisor.

- Led one of four Joint Warfighting Advanced Studies Program elective sections.
- Created and taught the first Pacific Campaign elective.
- Led staff ride events to the Gettysburg, Antietam, and Normandy battlefields. These include high visibility Senior Leader Staff Rides as the featured historian for the Center for Strategic Leadership and Development and the USAWC Foundation.
- Developed and presented “US Approach to Operational Art” lectures to the Australian Defense College.
- Developed and presented “Lessons Learned Program” lecture to the Deloitte Reputation and Risk Leaders forum.
- Developed and presented “Situational Awareness Lessons from Gettysburg” to the Pennsylvania Bar Association.
- Developed and presented the Design lecture and led a design exercise for USCYBERCOM.
- Member of the Argonne National Laboratory National Security Advisory Board.
- Served as USAWC liaison to the Iraqi Defense College.
- Developed and presented the noontime lecture “Law of The Sea for Operational Commanders.”
- Developed and presented the “Landpower” lecture for NSS Week.

Supported strategy and campaign plan development for the Joint IED Defeat Organization and NATO Allied Command Transformation.

Joint IED Defeat Organization

November 2010 – May 2012

Doctrine Analyst and Writer

J-5 Strategy, Plans, and Policy Branch

Responsible for strategy development and interagency coordination.

- Editor and lead writer for JIEDDO C-IED Strategic Plan (2011-2016).

- Member of the writing team for the Presidential Policy Directive 17 (Countering Improvised Explosive Devices) and the President's National C-IED Strategy (Feb 13). Augmentee to the interagency Joint Planning Office (JPO) to Combat Terrorist Use of Explosives in the U.S.
- Wrote first draft of the Department of Defense C-IED Strategy.
- Member of the writing team for the NATO C-IED Campaign Plan.

J-37 Doctrine and Capacity Branch

Responsible for developing and coordinating doctrine across the services, joint force, and multinational organizations.

- Provided JIEDDO input to the Allied Joint Doctrine for Counter-IED Operations (AJP 3-15), US Joint Doctrine for C-IED Operations (JP 3-15.1), and the JFCOM Commander's Handbook for C-IED Operations.
- Member of the writing team for TRADOC Maneuver Center of Excellence 'Attack the Network' operational approach and framework.
- Coordinator for JIEDDO 'Attack the Network' Field Guide, and Lexicon.
- Assisted the transition process of JIEDDO C-IED capability and programs to the services using the JCIDS processes, Joint Capability Areas, Joint Mission Threads, and Universal Joint Task Lists.

US Army War College

June 2003- July 2010

Senior Navy Representative (AY 2008-2010)

Commandant's advisor for maritime issues. Coordinated assignment of Navy faculty and students. Responsible for service specific aspects of joint education and curriculum accreditation. Faculty instructor in the Department of Military Strategy Planning and Operations.

- Developed and executed the Foundations of Military Power core course (AY08)

Director, Joint Warfighting Advanced Studies Program (AY 2008-2009)

Premier elective for national and theater level planners. Used executive speakers and regional/global issues analysis to develop theater security cooperation planning and contingency plans in a complex joint interagency, intergovernmental and multinational environment. Emphasized senior speakers, policy development, strategic planning, and future warfare. Annual supervision of 12 instructors and 67 students.

Director Maritime Operations (AY 2004-2007)

Integrated joint doctrine into the core curriculum. Assisted in design and execution of the global strategic decision-making exercise. Revised and taught the Seapower elective. Leading proponent of *effects* and design. Provided for maritime homeland security consideration: US Coast Guard and maritime domain awareness.

- Awarded William F. Halsey Chair of Naval Studies in December 2006
- Selected as Executive Leadership Program Staff Ride Guide to Civil War battlefields. Conducted over 60 events highlighting practical leadership lessons to diverse government, business, non-profit, and educational audiences.
