US Army War College and Carlisle Barracks Introductions

Seminar Spouse Representatives

- Thank you for volunteering as an SSR!
- Your primary responsibility is representing and informing the spouse peers in your seminar, to include geographically separated spouses.
- You accomplish this by:
 - Attending the monthly Community Leader Information Forum (CLIF) meetings and acting as liaison between seminar spouses and Carlisle Barracks leadership.
 - Helping pass information between Carlisle Barracks leadership, tenant organization leaders, and seminar spouses.
 - Keeping an accurate contact roster of phone and email addresses for all seminar spouses and pass changes to the Military Family Program Coordinator.
 - Be a two-way conduit of information and concerns
- Keys to success: Positive attitude, willingness to serve, ability to ensure that information is passed on in a timely manner, and willingness to reach out to others for help.

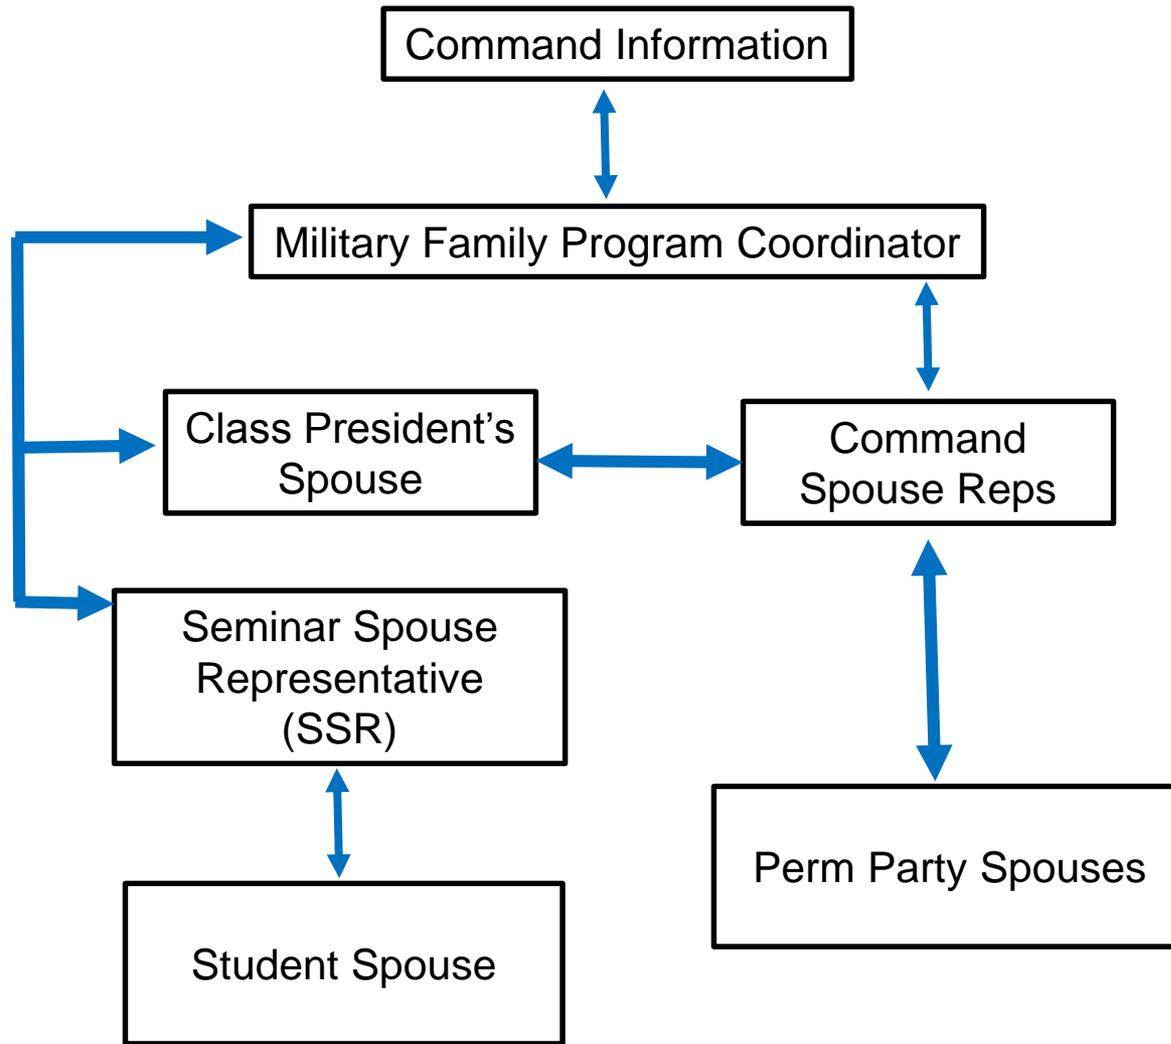

Information Flow

- Communication and information flow are keys to a successful, less stressful, and more fruitful year.
- Information flow is also critical for life, health and safety issues as well for calendar events and social opportunities.
- Information flows in multiple directions and through multiple venues. The CLIF provides one such venue.
- Rumors are not reliable, nor helpful. Please be part of the solution....to include on social media
- CLIF minutes will be published and available for distribution within 48 hours of the CLIF meeting.

CLIF Information Flow

CLIF 3x5 Cards

Why?

How will they be used?

How does feedback happen?

Example

3x5 Card from the SEPT 2014 CLIF

Question/ Comment: "Can gate hours be extended?"

USAG CDR RESPONSE: YES. As you are aware, we have experienced a severe manning shortfall on the guard force for the past 10 months. We project that manning will support extended hours at the Ashburn gate by mid-November.

Common 3x5 Topics
